

Application for Consent to the Use of Researcher's Own Reproduction Device

I hereby apply for permission to use my own reproduction device:

Name and surname:

Type of reproduction device:

I declare that the reproductions I make using my own reproduction device will be for my personal study use only and that I will not publish them. At the same time, I declare that if I wish to publish the reproductions I make, I am obliged to pay the Archive a reproduction fee in compliance with the Price List of Archive Services or to apply to the Archive for waiver of such payment. At the same time, I am aware of the requirement to make any payments arising under copyright and related rights.
